Mariposa Kids Board of Directors

Mariposa Kids' mission is to support and inspire children's natural curiosity and independence through free play during their out-of-school time. Our organization envisions vibrant communities that support the social-emotional growth of all children through friendship and play. The role of our Board of Directors is to uphold and promote our mission, vision, and values and each Board Member acts as a steward of this work. This is done through fiduciary, legal, and ethical oversight of the organization to ensure that the organization does the best work possible in pursuit of its goals.

ABOUT MARIPOSA KIDS

Mariposa Kids is the main and only program of The Kids' Co-Op, Inc., a registered 501c3 non-profit in San Francisco. The organization began in 2007 as a co-op preschool in the Mission. As time passed, our founders partnered with another local preschool organization to run preschool operations onsite while the Mariposa Kids Community Project (Mariposa Kids) was conceptualized as an after-school program with holiday and summer camps for kids ages 5-11.

On an annual basis, Mariposa Kids serves approximately 40 children in our After-School Program, 25 children weekly in our summer camps, and provides care on select public holidays at our Clubhouse at the James Rolph Jr. Park & Playground. Our program, based on the three pillars of safe space, free play, and community, allows children to choose the activities they participate in both indoors and outdoors with daily activities planned by the program team.
